

Get Ready to Enter the PINK ZONE!!!

The Ten Sleep High School Basketball Teams and the CSO are inviting the entire community to support Breast Cancer Awareness throughout our Community.

PINK is the designated color to represent awareness of and hope for a cure; it also signifies and honors those who have passed on because of a fight lost to this cancer. On the evening of Feb. 3rd, beginning @ 5:30 p.m., please come to our home gym dressed in ***PINK***. Be ready to cheer on the girls' and boys' basketball teams as they play against the Burlington Huskies.

*Don't be left out of the **PINK**!*

The CSO will be raffling a "PINK" basket of goodies with the proceeds being donated locally. Please feel free to donate a "PINK" item to the basket or participate in the raffle/auction or both.

*A representative from the Playing for Hope Foundation will be joining our **PINK ZONE**. A letter about their foundation and fundraiser is included in the newsletter along with an application for possible assistance from this foundation for those battling cancer.*

*Let's pack our gym with **PINK** and show our Pioneer Pride as we host the Huskies for some fabulous basketball! As we enter the PINK ZONE, may we Remember; Honor; and Hope for a cure.*

*Thank You for Your Support,
The Ten Sleep CSO*
