Washakie County School District #2

Robert Griffin
Principal

Principal's Corner

Wytopp is in full swing and the last test is scheduled for May 7th. Early results have been very promising. Science will be tested in fourth, eighth and tenth grade and writing will be tested in third, fifth, seventh and ninth. I really appreciate all the effort parents and staff have put forward to allow our students to shine when they are compared to their peers from around the state. I am excited to share the results with our students which will happen May 13th at our Wytopp celebration.

Also we have fantastic news to share about our ACT results. Each of our Juniors scored high enough to earn either the Performance or the Honor level Hathaway which could award them up to \$1680 per semester at a WY community college or at the University of Wyoming. Our school average ACT worked out to be a 26.6 and as far as my research has led me to believe, this will position us as the highest achieving high school in the state and one of the best in the nation. Thank you students for putting your best foot forward and representing our community in such a powerful and positive way.

Also I would like to thank all the educators along these students' paths that contributed to this success. It doesn't happen by accident. I hope all of us take this moment to realize what efforts are given to our students each day.

Athletics:

HS Track

Total students on roster:
15 (5 girls, 10 boys)

MS Track

Total students on roster:
27 (18 boys, 9 girls)

HS Golf

Total Students on roster:
5 (3 girls, 2 boys)

Which puts the total number of students participating in athletics this spring at 47 students out of a possible 68 total students! Go Big Blue!

FFA Chapter News

Results are in! I'm proud to say all our complete 4-man teams met their team goals of placing at Wyoming FFA State Convention in the top 10.

The Agricultural Mechanics Team was 9th with Yoshi leading our team and Kruze coming up next. Erik and Sara rounded out the team. This was Erik's best State Convention and I am so proud of his growth and knowledge. I am so impressed with Sara's Pioneer spirit in filling out this team so the other members could compete. She put so much effort into her "test" and welds.

Poultry coming in 9th at State with Kaitlyn leading our team at 10th and Will right behind her. I'd like to remind everyone we have two middle school members on our high school team. Brooklyn and Payton rounded out the team. I can't say enough about this team and their dedication to bettering themselves.

High School Horse had Allison leading our team with near perfect scores in each event. Belle rounded out this team of two.

Jr. High Horse had Breckyn leading our team earning herself a 6th at State. Karidee rounded out this team of two. These two horse teams will combine next year to compete at the high school level.

Jr. High Livestock earned 9th at State with Cachelynn ranked 14th and Quinlan 19th. Shelby and Gavin rounded out the team. This is a young team that I hope stay together. Each one brings a specific skill set allowing them to earn such high team rankings at their contests all year.

Agricultural Sales earned a ranking of 8th place with Bree leading our team and Eliza close behind. Karidee and Cameron rounded out the team. It was a joy to see this team really enjoy this competition this year...and who wouldn't want to sell honey chocolates?

Nicholas Blutt, Matthew Blutt, Layne Jordan, and Liam Jordan performing at State FFA.

Environmental and Natural Resources had Macklan leading our team. This was Matthew's last year on this team which he has competed in for 4 years. Cash and Nicholas rounded out the team. We will be looking for a team member so this young team can grow and compete.

Congratulations Bree on your 5th place at State!! I can't tell you how phenomenal Bree was. Her speech was delivered with precision and compassion.

Bree Jackson receiving her award at State FFA

Congratulations Matthew, Nicholas, Layne, and Liam. Wyoming FFA State Champions in Talent. To say these young men are outstanding is an understatement. They rocked the State Convention every session. Mr. Thoren and I found ourselves playing the role of advisors and body guards this week.

Matthew was finally awarded his FFA State Degree and I think will continue in FFA for his American FFA degree.

As CTE Educators, we enjoyed taking the students on local tours of industries in the Cheyenne area. We visited the Next Gen feed supply company in Burns. This tour was absolutely fascinating! We learned from the ground up how to start a successful business. Next, we visited Croell Concrete where the students learned about the concrete industry.

We are a growing chapter with so much energy and ability. Ten Sleep FFA made our community proud at our FFA State Convention.

~ Mrs. Forshee

Music Notes

I cannot believe May is here... and that means our end-of-the-year band concert is tomorrow! Our bands, 5-12, have been preparing for this concert since the New Year. The theme will be Movies in Ten Sleep and I am excited to announce that we have so many cool movies represented! Before the movies begin, our kindergartners will be graduating, so please make sure to be on time! Our students have thoroughly enjoyed preparing for this concert and I have seen many students find their love for playing through their progress. The 5th and 6th graders are excited to show off their performance skills, the 8th graders are excited to perform for the first time this year, and the high schoolers are excited to show you their fun movie themes! We will be presenting 8th grade music awards as well as high school music awards at this time. Make sure to attend, May 2nd at 6:00pm.

The high school classes that are not performance based are excited for an eventful end of the year with a variety of projects based on music preference and how they will apply what they learned in music class to their future endeavors! I am very excited to hear about their love of music and how they see it influencing their future.

The high school band students performed at the WHSAA Music Performance Assessment in mid-April where they performed as a large-group and individual soloists. They received a variety of certificates

expressing their musical abilities and they all did wonderfully! Students are rated on a scale of I-V (I is superior, II is excellent, III is good etc.) and each student received either a I or a II for their solo and the large-group received a II+! Please congratulate each student for the wonderful performance!

The elementary students may not be receiving ratings, but they are just as busy as ever. Throughout our end-of-the-year units, we have been reviewing what we have learned through the year and are learning so much more as we go.

The kindergarten and first graders have continued their Carnival of the Animals unit and have played a variety of instruments to rhythms and the beat, sang many different songs, and moved to the music they hear as they see fit. It is a wonderful thing to see students express themselves in their actions when put to music.

The second and third graders have recently concluded a unit about Peter and the Wolf where they learned how to identify the instruments of the orchestra and are great at identifying tone color. They also love to "mime" the story they learned to the music that accompanies it.

The fourth graders have continued their unit on musical theatre and are some of the most creative students I know. They have performed, analyzed, reacted, and created throughout the unit so far and their ideas are spectacular and always well explained in reference to the music and activity.

I cannot express my admiration of each and every student enough! They are all so wonderfully talented, smart, gifted, and musically oriented that it blows my mind. I am so lucky to be able to teach and make music with these students!

See you all on May 2nd at 6:00pm!

Musically, Mrs. Kienzle

Jhett Taylor, Kelsie Griffin, Belle Starbuck, Jadeyn Opstad, Grace Gertsch, Brandon Mills, Jesse Blazo, Mrs. Kienzle, Eli Fox at the WHSAA Music Performance Assessment.

Artistic Horizons

Ten Sleep Art students have been broadening their artistic horizons during the 23-24 school year by actively participating in art events near and far. Alongside attending the University of Wyoming Art Intensive, our students also had the remarkable opportunity to engage in the Sheridan Art Intensive this Spring. This intensive program provided hands-on experience across diverse mediums, from leatherworking to linocut printmaking, expressive drawing to ceramic texture sculpture, and even hand-printed silk screen t-shirts students brought home as event merch. The Sheridan Art Intensive undoubtedly lived up to its name, offering an intense morning of immersive art-making.

One of the most memorable aspects of this year's Sheridan Art Intensive was the captivating performance by the Department of Music. This interdisciplinary collaboration featured four original compositions that intertwined live singing and instrumental elements with technology-driven audio-visual components. The innovative concert provided a truly engaging sensory experience, enriching the overall event for our students and demonstrating the power of art to transcend boundaries. The opportunity to forge connections with college staff and explore new art forms proved invaluable to all participants.

The pinnacle of our art travel endeavors was the Wyoming State Art Symposium, a prestigious event that stands alone in its celebration and recognition of student artists on a statewide scale. The Wyoming State Art Symposium is the largest single art show of High School art in the Nation! The sight of the Ford Events Center in Casper filled to capacity with the finest young artists from across Wyoming was awe-inspiring. Our students found themselves immersed amidst a breathtaking array of 2D and 3D artworks, a testament to the vibrant creativity thriving within our state and the recognition of their own artistic endeavors.

Artistic excellence was duly acknowledged at the Symposium, with works receiving accolades ranging from blue ribbons to purple ribbons for 3D artistic discovery, First Lady of Wyoming Awards, and purple Congressional ribbons. Although only 25% of artworks earned coveted blue ribbons, our Ten Sleep Art students excelled, with a remarkable 37% of submissions receiving this prestigious honor.

Izzy Fox, Grace Gertsch, and Cameron Carter busy creating at the Art Symposium in Casper.

This exceptional achievement reflects the dedication and talent nurtured within our art program.

Completing our enriching journey was visiting The Nicolaysen Art Museum, where students could admire works by Wyoming teachers, contemporary artists, and iconic historical figures such as Salvador Dali and Pablo Picasso. Despite the whirlwind nature of the event, those who attended for the full three days found themselves immersed in a world of artistic inspiration and appreciation.

Even students from grades 6th, 7th, and 9th who joined us for a day trip to the State Art Symposium were deeply impacted by the experience, expressing a desire for more time to absorb the wealth of art on display. Their enthusiasm underscores the importance of fostering a highly engaged art program at all levels, from our local community to statewide events, to continuously enhance the educational journey of our Ten Sleep Art students.

As we reflect on these transformative experiences, we eagerly anticipate building upon this foundation to establish a lasting tradition of artistic excellence and exploration within our school community.

~ Mrs. Mills

Counselor's Corner

It's hard to believe that May is here and summer plans are underway!

Senior's last day is May 8! At graduation, traditionally, senior scholarships, awards, honors, and future plans are announced. That is, if students fill out my form and write something down that they would like read off at graduation... There has been some talk among staff about how to honor those not going to the traditional college. I would like to put it out there that staff does recognize, value, and respect all post-secondary plans. Just because it is not put on a "pedestal" during the graduation ceremony, does not mean that those choices are "less than". Starting in the 8th grade (formally), I talk to students about planning for their future; whether that is a trade, the workforce, or college, or another route. All choices are valid and accounted for. I am not a counselor who pushes college because for some, it just might not be a fit. And that is perfectly fine. Students need to find a path that suits their needs, and desires, and ultimately their happiness is most important. There is a growing need in society for the trade industry. Our school has been making several efforts to expose students to new ideas and opportunities. For example, students can take industry-recognized courses and receive certifications. This not only looks great on a resume, but also gives students some great base knowledge and an advantage when heading out our doors. We have brought in numerous guest speakers on careers and careers in the trades field. Our CTE program has some amazing equipment and they offer some unique opportunities. Some examples are: a greenhouse on site, a welding

competition, and multiple industry tours. The opportunities are really endless; students need to seek out these opportunities and make the most of them! Another example that some might not be aware of: as a small school, we are able to offer both FFA and Skills USA. Not many schools our size can have both of these programs and run them with success!

Student Council News: Candidate applications are out. They are due April 29. Middle School elections and speeches are May 2. High School speeches and elections are May 6. Results will be announced at the assembly May 13.

Secret Service: The secret service club has sponsored an UNO tournament in an effort to promote and celebrate good sportsmanship. Dues to some absences, we are a little slow at completing the brackets but hope to wrap that up in the near future.

WYTOPP State Testing: Testing is underway. The window closes on May 10. So far the results are beyond outstanding. Thank you for valuing your child's attendance. If a student has to be absent, we offer a makeup time. However, that means that they are missing their regular class time. It all works out, but it is something the school has to plan for and work through.

Sources of Strength: The peer leader group has been working on coming up with healthy activities to help with the last day of school fun. The whole school will be headed to the park on Friday, May 17 for a fun time; connecting and celebrating the end of the year.

Swimming Lessons

Swimming lessons at the Worland Aquatic Center will be available to Ten Sleep students Monday thru Thursday,
June 3rd - 6th and June 10th - 13th.

Lessons will be from 9:45 to 10:15 and the bus will leave the school at 9:10. Registration forms are attached to this newsletter.

Please return the registration forms and payment to the school by May 16th. Lessons will be \$65.00 per child. Please make checks out to Worland Aquatic Center.

An additional \$10.00 per family is required to help defray transportation costs. Please make checks out to Washakie County School District #2.

Love & Logic

Showing Appreciation for Teachers

A recent article published in the journal of the American Educational Research Association reported that teachers across the world feel undervalued and unappreciated. Teacher appreciation week is May 6-10 this year, and we encourage parents to show appreciation to teachers for their continued dedication to teaching our kids. This year we will look at some ways that parents can show gratitude to teachers throughout every school year.

The Best Gifts for Teachers

One way we can send a big thanks to educators is by helping our kids view all teachers with great respect. A powerful strategy for achieving this goal involves allowing our kids to overhear us talking positively about their teachers. You've probably noticed your children's eyes glazing over as you've tried to lecture them about some essential truth. In contrast, you've seen how closely they listen when they see that you're trying to have a private conversation! Experiment with this:

At least twice a week intentionally let your children overhear you saying something positive about their teachers. Do this for the rest of the school year.

All dedicated educators want to be appreciated for their hard work and long hours. It's amazing

to realize that teachers can take classrooms full of kids with different needs, abilities, behaviors, and troubles and turn them into high-powered learning teams. Teachers deserve to be appreciated for this miracle!

Another gift we can give them involves our own parenting. The most wonderful display of our appreciation is to send them students truly ready to be respectful, responsible, and eager to learn.

No doubt this gift also benefits our children, who will rise to the top when equipped with such character attributes. In addition to letting our kids hearing our positive comments about their teachers, here is list of a few additional things you can do to help teachers help your kids succeed:

- ~ Ensure that they are doing chores without reminders at home, so that they know how to do assignments without reminders at school.

- ~ Allow very little time with technology, including video games, texting, surfing the web, watching videos, television, etc. These activities make it more difficult for our children to remain calm and content at school.

- ~ Have family meals together, where you enjoy each other and talk about all the things you've learned during the day.

~ Dr. Charles Fay, Love and Logic

According to Mayme Breeden Bader, Ten Sleep's first prom, in 1938, was held in the newly built gym and classrooms. The theme was "Somewhere Over the Rainbow."

Nurse's Corner

Sports Physicals May 2nd and 14th, for 2024-2025 School Year

Adrienne S. O'Neal FNP-C will be offering sports physicals on Thursday May 2 (grades 4-6) and Tuesday May 14 (grades 7-11), for the 2023-2024 school year at Ten Sleep School. If you would like your student to receive a physical with Adrienne, please complete the health history portion of the WHSAA School Physical Examination form, sign all three parent signature areas and return with payment to the front office. Forms will be sent home with students, and extra forms will be available at the front office. Cost of the physical is \$25.00. Please make checks payable to Wyo Care Clinic. Here is a little background information about Adrienne, you can also visit her website at wyocareclinic.org.

Adrienne is a board certified Family Nurse Practitioner and has worked in healthcare for nearly fifteen years. She received her associate's degree from Dakota Wesleyan University, her bachelor's degree from Grand Canyon University, and her master's degree from Walden University. Adrienne currently holds certifications in BLS, ACLS, PALS and is a proud member of the American Academy of Nurse Practitioners. Adrienne's healthcare background includes pediatrics, mental and behavioral health, geriatrics, memory care, wound care, and family medicine.

All students who would like to participate in Middle School or High School athletics next school year (5th-12th grade) will need to obtain a WHSAA approved physical before participating in any school sponsored athletic activity. Please obtain your physical before the start of the 2024-2025 school year!

Student Immunizations for 2024-2025 School Year

Please make sure your student is up to date on their immunizations before the start of school next fall. Wyoming State Law, states all students must be immunized in accordance with the Advisory Committee on Immunization Practices (ACIP). Students ages 11-12 are required to receive the Tdap (Tetanus/Diphtheria/Pertussis) booster. Immunizations may be received at Public Health (Call 307-347-3278 to make an appointment) or with your healthcare provider.

There are also two other immunizations that you may want to consider for your child: HPV (Human Papillomavirus) and Meningococcal (bacterial meningitis). These vaccinations are strongly recommended by the CDC but are not required by law. HPV is a very important vaccine that prevents infections which can cause cancer. The Meningococcal vaccine prevents meningitis, (infection of the lining of the brain and spinal cord) and infections of the blood. Meningococcal disease is a rare but severe disease with a significant risk of death or lasting disabilities.

Thank You

The Ten Sleep/Hyattville Lions Club has acquired a very helpful vision screening tool that is available for local schools and organizations to borrow. Thank you Rob and Sue Drafton for your help in arranging for the use of the Plusoptix vision screener here at Ten Sleep School. We appreciate all of the support from our local Lions Club members!

BOARD OF TRUSTEES MEETING AGENDA (Monday, March 11, 2024)

1. MEETING OPENING

- A. Call to Order
- B. Pledge of Allegiance
- C. Roll Call Erin Blutt, Bill Murphy, Jared Lyman, Marc Dykstra, Shana Harstad, Annie Griffin, Robert Griffin, Rachel Casteel and Neysha Lyman
- D. Adopt Agenda

Jared Lyman moved to adopt the agenda. Seconded by Bill Murphy. Motion carried 5-0.

2. REPORTS AND RECOGNITIONS

- A. Student Recognitions - The Pioneer Way: Presented by Mr. Griffin.
- B. Recognition of Valedictorian and Salutatorian: Valedictorian Jacob Holiday and Salutatorian Isabelle Fox
- C. NHS Recognitions - Mrs. Wiechmann
- D. Superintendent Report / New School Update-Mrs. Griffin

3. GUESTS AND PATRON COMMENTS

- A. Visitor Input at Board Meetings: Comments taken from CJ Grimes, Sarah Anderson, Jody Smith, Chawna Wiechmann, Nikki Erickson, and Lara Gertsch

4. CONSENT AGENDA

- A. Business Manager Reports - Mrs. Casteel
 - B. Principal Report - Mr. Griffin
 - C. Approve Minutes of February 12, 2024, Regular Board Meetings
 - D. Authorization and Payment of Outstanding Bills
 - E. Approve Prepaid Bills
 - F. Approve Graduating Seniors: Jacob Gray Holiday, Isabelle Joy Fox, Jaden Gwen Opstad, Canyon David Egger, Matthew Patrick Blutt, Sara Beth Wittlief, Cater Lucas Lungren, Cora Reghan Norman, Jacob Carter Fettig
- Jared Lyman moved to approve the Consent Agenda as presented. Seconded by Bill Murphy. Bill Murphy abstained from warrants #25350 and 3248. Motion carried 5-0.

5. DISCUSSION/ACTION ITEMS

- A. Second Reading Policies 5.41 At Risk and 6.11 Drug Testing: Bill Murphy moved to approve 2nd reading of Policies 5.41 and 6.11. Seconded by Shana Harstad. Motion carried 5-0.
- B. First Reading Policies 6.02 Parties and Dances, 6.03 Out of State Travel for Student Activities, 6.05 Student Councils and 6.06 Activity Trips Sponsors: Jared Lyman moved to approve first reading of policies 6.02, 6.03, 6.05 and 6.06. Seconded by Shana Harstad. Motion carried 5-0.

6. EXECUTIVE SESSION

Jared Lyman moved to go into Executive Session for the purpose of personnel, principal evaluation, and principal contract at 7:42 pm. Seconded by Shana Harstad. Motion carried 5-0.

- A. Personnel
- B. Principal Robert Griffin's Evaluation
- C. Principal Contract

Board reconvened at 10:23 pm. Jared Lyman moved to approve the executive session minutes as read in executive session. Seconded by Shana Harstad. Motion carried 5-0.

Jared Lyman moved to approve Principal Robert Griffin's 2-year contract as presented in executive session. Seconded by Marc Dykstra. Motion carried 5-0.

7. NEXT MONTH BOARD AGENDA ITEMS

Renew Certified Contract by April 15th.
Notify Initial Contract Teachers by April 15th.

8. ADJOURNMENT

- A. Adjourn the Meeting: Meeting adjourned at 10:25 pm by Chairperson Erin Blutt

In accordance with federal civil rights law and U.S. Department of Agriculture (USDA) civil rights regulations and policies, this institution is prohibited from discriminating on the basis of race, color, national origin, sex (including gender identity and sexual orientation), disability, age, or reprisal or retaliation for prior civil rights activity.

Program information may be made available in languages other than English. Persons with disabilities who require alternative means of communication to obtain program information (e.g., Braille, large print, audiotope, American Sign Language), should contact the responsible state or local agency that administers the program or USDA's TARGET Center at (202) 720-2600 (voice and TTY) or contact USDA through the Federal Relay Service at (800) 877-8339.

To file a program discrimination complaint, a Complainant should complete a Form AD-3027, USDA Program Discrimination Complaint Form which can be obtained online at:

<https://www.usda.gov/sites/default/files/documents/USDA-OASCR%20P-Complaint-Form-0508-0002-508-11-28-17Fax2Mail.pdf>, from any USDA office, by calling (866) 632-9992, or by writing a letter addressed to USDA. The letter must contain the complainant's name, address, telephone number, and a written description of the alleged discriminatory action in sufficient detail to inform the Assistant Secretary for Civil Rights (ASCR) about the nature and date of an alleged civil rights violation. The completed AD-3027 form or letter must be submitted to USDA by:

- **mail:** U.S. Department of Agriculture Office of the Assistant Secretary for Civil Rights 1400 Independence Avenue, SW Washington, D.C. 20250-9410; or
- **fax:** (833) 256-1665 or (202) 690-7442; or
- **email:** program.intake@usda.gov

This institution is an equal opportunity provider.

Menu is Subject to change based on Availability.

Washakie County School District #2 does not discriminate on the basis of race, color, national origin, sex, age, or disability in admission to its programs, services, or activities, in access to them, in treatment of individuals, or in any aspect of their operations. Washakie County School District #2 Career and Technical Education department does not discriminate in enrollment or access to any of the programs available: Welding, Agricultural Projects, Woods & Construction Projects, Ag Journalism. The lack of English language skills shall not be a barrier to admission or participation in the activities and programs. The Washakie County School District #2 also does not discriminate in its hiring or employment practices.

Do you want your teen to take a class that will teach skills that have the potential to be used almost every day for the rest of their lives, save them from \$400 fines and save you money on insurance premiums? It's not English Lit, or Trig or even American History or Chemistry. It's:

DRIVER'S EDUCATION!!

We will begin Monday, May 20th and continue through Friday, June 2nd. Cost for the course is \$75.00 for in district students and \$150.00 for out of district. Students must have either a driving license or permit before taking this course. Classes will be held from 8:30am until 4:30pm daily (with the probability of running later on driving days). The front door to the school will be open for student access. Please bring pencil & paper as the rest of the instructional material will be provided. Lunch will not be provided.

Each student will drive approximately 6-8 hours and observe at least 10 hours. Students will practice driving on dirt roads, residential areas, 2 lane highways as well as the interstate. Please contact Mr. Ernie Beckley at 307-272-2295 with any questions and contact the office 366-2233 x 420 if you wish to enroll your student.

DRIVESAFELY

TEN SLEEP PUBLIC SCHOOLS
SWIMMING LESSONS

Dear Parent/Guardian:

Swimming Lessons at the **Worland Aquatic Center** will be available to Ten Sleep Students Monday through Thursday June 3rd– 6th and June 10th - 13th. Lessons are \$65.00 per child. Lessons will be from 9:45 AM to 10:15AM and the bus will leave the school at 9:10 AM.

Please return this letter to the school with cash/check made payable to: **Worland Aquatic Center** no later than May 16th. Checks may be dated May 31st. Late registrations will be accepted only if there is room in the level desired.

***A \$10.00 per family fee is required to defray transportation costs. Please make fuel checks payable to **Washakie County School District #2** on or before the first day of lessons. Please inform management of any medical concerns you may have for your child.

Swim Courses Offered

L 1: Starfish (ages 4 & 5)	L 4: Trout
L 2: Minnows	L 5: Pike
L 3: Tadpoles	L 6: Sharks & Dolphins

Names for levels and required skill sets are available at: www.worlandaquaticcenter.com

Please note, an adult is required to chaperone any preschool age children when riding the bus.

Sincerely,
Annie Griffin
Annie Griffin, Superintendent

NAME	AGE	Grade Completed	LEVEL

***Sponsors are needed on the bus to and from the pool and between sessions to supervise students. Without Sponsors, we will not be able to provide a bus.

Please Circle if you are able to help. YES NO
