WASHAKIE COUNTY SCHOOL DISTRICT #2

August 2019

Jimmy Phelps Superintendent

Principal's Corner

Greetings,

We are excited to start another great year here at Ten Sleep Schools and we are happy to welcome the kids back to the classrooms so they may increase their knowledge base and participate in the activities. To better help our students prepare for a digital future, we will be adding an elective computer science course to our curriculum at the secondary level that will focus on gaining knowledge of computer systems and programming. We hope to expand on this course and generally increase student knowledge about computer science as well as student critical thinking skills. Our elementary curriculum will also be expanded to incorporate more computer science content.

I would like to take a moment to recognize our maintenance and custodial staff. They have been hard at work all summer trying to make that school as safe and beautiful as possible. Our school has undergone many improvements recently and we would like to thank them for their hard work and willingness to keep our school looking great. If you see them in the halls or around town, let them know how appreciative we are for their hard work to make our aging school appear beautiful and remain safe.

I would like to take the time to highlight a schoolwide policy that has been modified over the summer. The policy is **5.21 At-tendance Regulations** subheading <u>Tar-dies.</u>

TARDIES

Any student not in his/her assigned classroom by the time the second bell rings will be considered tardy for that class period. Students will not be considered tardy if they have a signed written pass from a staff member. Any tardy over ten (10) minutes in length without a written excuse from a teacher or administrator will result in an unexcused absence. Parent/ guardian may excuse a student from a tardy that is over ten minutes in length only from the first period and must do so by the start of the next school day. This will result in an excused absence for that period. On the third tardy (and multiples thereof) per class, per semester, the student shall be charged an unexcused absence.

The major change in this policy comes in the last sentence. "On the third tardy (and multiples thereof) per class, per semester, the student shall be charged an unexcused absence." The policy is intended to decrease time out of class and decrease numbers of interruptions to class time. We strongly believe that students need to be present in order to maximize their learning with as little interruption as possible. Please contact the school with any questions.

All of us at Ten Sleep Schools are eager and excited to begin a great new year. This year is going to be amazing as we continue to provide and improve on academic experiences for our students that are rigorous, relevant, and help them build relationships while making real-world connections. As your Principal, it is important to me that everyone who steps through our doors-teachers, students and parents-are excited to be here! This attitude enables us to meet the challenges of academic excellence in a positive, fun, and nurturing environment. My door is always open and I welcome your input. Please feel free to call or email me to discuss any concerns you might have throughout the school year.

I look forward to working with you as a team to help each student at Ten Sleep meet their goals and have a successful school year! Hopefully I will get to see you at the Back To School Night. With Pioneer Pride, Mr. Levi Collins Levi.collins@wsh2.k12.wy.us

Notice to Parents

As a parent of a student in Ten Sleep School, you have the right to know the professional qualifications of the classroom teachers who instruct your child. Federal law allows you to ask for certain information about your child's classroom teachers, and requires us to give you this information in a timely manner if you ask for it.

You have the right to ask for the following information about each of your child's classroom teachers:

- Whether Wyoming Professional Teachers' Standard Board (PTSB) has licensed or qualified the teacher for the grades and subjects he or she teaches.
- Whether PTSB has decided that the teacher can teach in a classroom without being licensed or qualified under state regulations because of special circumstances.
- The teacher's college major, whether the teacher has any advanced degrees and, if so, the subject of the degrees.
- Whether any teachers' aides or similar paraprofessionals provide services to your child and, if they do, their qualifications.

If you would like to receive any of this information, please call Mr. Phelps at 366-2233.

NOTIFICATION OF RIGHTS FOR ELEMENTARY & SEONDARY STUDENTS

The Family Educational Rights & Privacy Act (FERPA), a Federal law, requires that School Districts, with certain exceptions, obtain your written consent prior to the disclosure of personally identifiable information from your child's education records. However, WCSD#2 may disclose appropriately designated "directory information" without written consent, unless you have advised the District to the contrary in accordance with District procedures. The primary purpose of directory information is to allow WCSD#2 to include this type of information from your child's education records in certain school publications. Examples include: The annual yearbook; Graduation programs; and Sports activity sheets, such as football, showing weight and height of team members.

Directory information, which is information that is generally not considered harmful or an invasion of privacy if released, can also be disclosed to outside organizations without a parent's prior written consent. Outside organizations include, but are not limited to, companies that manufacture class rings or publish yearbooks. In addition, two federal laws require local educational agencies (LEAs) receiving assistance under the Elementary and Secondary Education Act of 1965 (ESEA) to provide military recruiters, upon request, with three directory information categories—names, addresses and telephone listings unless parents have advised the LEA that they do not want their student's information disclosed without their prior written consent.

If you do not want WCSD#2 to disclose directory information from your child's education records without your prior written consent, you must notify the District in writing. WCSD#2 has designated the following information as directory information: (Note: an LEA may, but does not have to, include all the information listed below.) \diamond Student's name, address and

telephone listing

♦ Participation in officially recognized activities and sports

♦ Weight & height of members of athletic teams

♦ Date and place of birth

♦ Dates of attendance and grade level

♦ The most recent educational agency or institution attended.

The Family Educational Rights and Privacy Act (FERPA) affords parents and students over 18 years of age (eligible students) certain rights with the respect to the student's education records. The rights are listed below.

The right to inspect and review the student's education records within 45 days of the day the School receives a request for access. Parents or eligible students should submit to the School Principal (or appropriate school official) a written request that identifies the record(s) they wish to inspect. The School official will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.

The right to request the amendment of the student's education records that the parent or eligible student believe are inaccurate or misleading. They should write the School Principal (or appropriate official), clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading. If the School decides not to amend the record as requested by the parent or eligible student, the School will notify the parent or eligible student of the decision and advise them of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.

The right to consent to disclosures of personally identifiable information contained in

the student's education records, except to the extent that FERPA authorized disclosure without consent. One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. A school official is a person employed by the School as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel); a person serving on the School Board; a person or company with whom the School has contracted to perform a special task (such as an attorney, auditor, medical consultant, or therapist); or a parent or student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility. Upon request, the School discloses education records without consent to officials of another school district in which a student seeks or intends to enroll.

(NOTE: FERPA requires a school district to make a reasonable at tempt to notify the parent or eligible student of the records request unless it states in its annual notification that it intends to forward records on request.) The right to file a complaint with the US Department of Education concerning alleged failures by the School to comply with the requirements of FERPA. The name and address of the Office that administers FERPA is Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Avenue, Washington DC.

Home School

Parents who plan to teach their children at home during the 2019-2020 school year are reminded that Wyoming statutes require that a curriculum which is sequential and progressively organized for reading, writing, math, civics, history, science and literature must be submitted to the school superintendent in their home district prior to the approval of the home school.

Home school registration forms are available upon request in the Ten Sleep School office. Home schools are regarded as nonaccredited schools in Wyoming and Washakie County School District #2 reserves the right to require appropriate testing or to use other means it deems appropriate for grade level placement upon entering district schools.

All home schooled students in our community are invited to participate in The Sleep sports and desired courses.

Middle School and High School students wishing to participate in sports are required to follow all the requirements set forth by the WHSAA. Home schooled students are also eligible to participate in appropriate activities funded through Federal Grants (Title I, Title II, Title IV, Title V, Title VI, Perkins and Special Education, IDEA).

Please contact Superintendent Jimmy Phelps for information on participation and/or planning of any of the listed programs and activities.

AFTER THE BELL Program--- We are excited about the new season of After the Bell after school programming. This service is available so your child has a safe place to go after school. We have revamped our program a little, change is good! We will begin on September 3rd with an arts and crafts day. Our new schedule will be Mondays, life skills, Tuesdays, arts and crafts, and Thursdays, STEAM projects. There is NO PROGRAM on Wednesday and Friday. Once a month the STEAM program will be geared toward the older kids. We hope this program will be fun and entertaining for everyone. Remember, no program on Wednesday's and Friday's or when school is not in session. Watch for the paper-work to come home with your student.

STORY HOUR---Join Veronica every Thursday at 10am for story time with your pre-schooler. No sign up is needed, just show up! Library story time helps children learn to listen, observe and imitate books. It also fosters the sense that the library is a special space and instills the lifelong love of reading in your child.

The Ten Sleep Library will be closed Aug 31-Sept 2 for the Labor Day holiday.

Don't forge that the Harvest Dinner and Friends of the Library Annual Raffle and Auction will be held in October. Now is the time to think about volunteering to help! The Library will start taking donations of craft items, baskets for the can raffle and NEW gift items at anytime.

Don't forget to get a library card for everyone in your family. It is easy and they are free!

ATTENTION ALL PARENTS OF K-12 STUDENTS

We will not be sending out paper copies of the student handbook and all the back to school forms this year. All of these forms are on PowerSchool. One parent of each student will need to log in to PowerSchool (see attached instructions) to complete the forms. This will need to be done by the end of August, and for any students participating in sports, this needs to be done right away. If you don't have internet access or a computer, we will have a laptop available here at the school and we would be glad to help you. If you have any questions, or need help logging in to PowerSchool, please call Janet at the office at 307-366-2233, ext. 420. Ten Sleep School
